## What are the PMEA Retiree Resource Registry & R<sup>3</sup> Help Index?

Based on PMEA Retired Members' online survey responses, the PMEA Retiree Resource Registry (R<sup>3</sup>) and R<sup>3</sup> Help Index archive a comprehensive record of music teacher retirees' present and past job assignments, history of career achievements and awards, current professional music and music education activities, and special talents and interests. The registry serves as a "who's who" directory of past leaders in PA music programs, as it documents the amazing contributions of some of the still most active albeit retired PMEA members.

The R<sup>3</sup> shares this vast wealth of the PMEA Retired Member experiences and expertise in order to offer the entire PMEA membership access to a list of very willing and capable informal advisers or consultants if anyone needs "free" (but priceless) help on a specific topic.

To use this service, go to the retired member section of the PMEA state website and download the current R<sup>3</sup> and R<sup>3</sup> Help Index, both documents being updated periodically to reflect new/changed data received: <http://www.pmea.net/retired-members/>.

Start with the R<sup>3</sup> Help Index to peruse possible candidates. To help match your needs with potential retired "go-to people," the index is sorted by volunteer subject areas. Look up these names in the alphabetical main registry to find the retirees' specific details, contact information, personal focus and specialties, and subjects they would be willing to provide assistance.

If you have retired from full-time teaching, are willing to stay involved in PMEA, and want to join this prestigious list, please go to the PMEA website or this direct link: <https://pmea.wufoo.com/forms/pmea-retiree-resource-survey/>.
