

# Corporate Sponsorship through the Pennsylvania Music Educators Association

PMEA is pleased to offer corporate sponsor membership options to businesses and organizations interested in supporting music education in Pennsylvania. Membership is effective from July 1, 2018 through June 30, 2019.

Our Corporate Sponsorship year reflects our Membership year and advertising calendar. There are four levels of membership: Corporate Sponsor, Bronze, Silver, and Gold. All memberships include a subscription to *PMEA News*, the association's quarterly journal, a basic listing in each issue of the journal and on the PMEA website, discounts of the price of an exhibit booth and more.
