

2019 Music In Our Schools Month Schedule

MIOSM is an opportunity for the music educators of Pennsylvania to display their performing ensembles in front of many of the legislators in PA who make the decisions which directly affect our educational lives. Each weekday during March, PMEA is allowed to schedule an ensemble in both the Main Rotunda (vocal groups) and the East Wing (instrumental groups) to perform for one hour (from 12:00 – 1:00 p.m.).
