Make new friends, but keep the o - ld

One is sil - ver and the oth - er's gold.

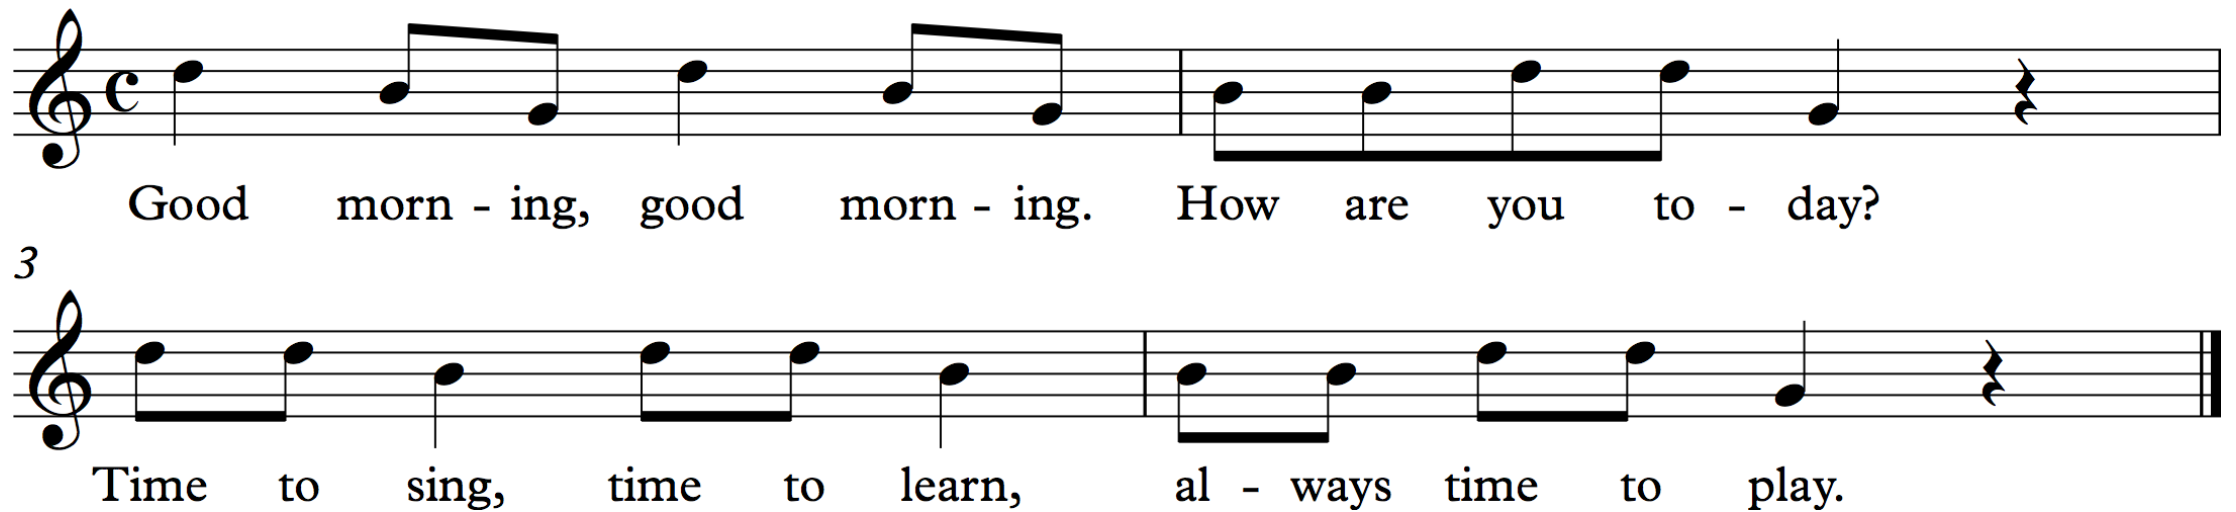

The musical score is written on two staves in 4/4 time. The first staff contains the melody for the first line of the song, with lyrics 'Make new friends, but keep the o - ld'. The second staff contains the melody for the second line, with lyrics 'One is sil - ver and the oth - er's gold.'. The melody is simple and easy to sing, with a mix of quarter, eighth, and dotted notes. A slur is used over the 'o - ld' in the first line and the 'sil - ver' in the second line. The piece ends with a double bar line.

Tips and Tricks

- Focus on one skill per class period
- Tie in to your school's behavior management plan
 - Ex. "Today we will earn a "Grand Paw Print" if everyone raises their hand and waits to be called on before talking"
- Set your students up for success
- Social skills take practice and time to develop
- Ask your counselor for help – they are working with students on these skills and sometimes knowing the right words helps
