

PMEA MEDICATION ADMINISTRATION RECORD

***A separate form is required for each medication, including asthma inhalers and epinephrine auto-injectors which are carried by the student for EACH event in which the student will be participating.** *The PMEA Medication Administration Record may be copied in the event the student may participate in multiple PMEA events provided the medication information is complete (or a prescription is attached), the chart has not been completed by a festival nurse **AND** the **medication expiration date has not passed.** If students require medication for a chronic condition, the school district's form on file in the school or nurses' office may be used. **(It is suggested the PMEA Medication Administration Record is copied BEFORE a student participates in their first festival.)**
