PMEA Anti-Bullying Policy

Introduction and Definitions:

PMEA is committed to providing a safe and positive learning environment for all students. PMEA recognizes that bullying creates an atmosphere of fear and intimidation that detracts from the safe environment necessary for student learning and may lead to more serious violence. Therefore, PMEA strictly prohibits bullying.

- **Bullying** means an intentional electronic, written, verbal or physical act or series of acts directed at another student or students which occurs in a school setting that is severe, persistent, or pervasive and has the effort of doing any of the following:
 - Substantial interference with a student's education
 - Creation of a threatening environment
 - Substantial disruption of the orderly operation of the event

Bullying is unwanted, aggressive behavior that involves a real or perceived power imbalance. Bullying as defined in this policy includes Cyberbullying via any form of electronic communication including, but not limited to phone, text messaging, Internet, websites, email, blog, chat rooms, instant messaging, and social media. Cyberbullying may also constitute the crime of cyber harassment and as such may be subject to criminal prosecution in addition to disciplinary consequences under this policy. Where appropriate, PMEA directs that instances of bullying or cyberbullying be referred to law enforcement.

- **School setting** means at any PMEA sponsored activity or event sanctioned by the school district.
- **Authority:**
 - PMEA encourages all students who have been bullied or are aware of bullying to promptly report such incidents to the designated chaperone or proper responsible adult. All incidents of bullying will be automatically reported to the participating PMEA Music Teacher of the student, Head Chaperone, ranking PMEA Official and participating School District.

Investigation Procedures:

Upon learning of a bullying incident, the incident must be reported immediately to the Host of the PMEA Event and Ranking PMEA Official (District President(s) etc.). The ranking PMEA Official will immediately contact the PMEA Music teacher of the student and start a thorough investigation of the incident including all parties involved using the PMEA Anti-Bullying Investigation Form and PMEA Bullying Procedure Document.

Consequences for Violations:

Any student who violates this policy will be subject to appropriate disciplinary action consistent with the PMEA Student Code of Conduct and School District Policies, which may include but are not limited to:

1. Removal from the PMEA sponsored event
2. Search and seizure of property
3. Referral to law enforcement officials for investigation of possible criminal charges, including but not limited to cyber harassment

Retaliation:

PMEA deems retaliatory acts as harmful as bullying acts and will be handled in the same manner as Bullying for students who retaliate against any student, school personnel, PMEA Staff, or other persons who report alleged bullying or participates in related proceedings. Such action may include disciplinary action.

False Charges:

Students who knowingly make false charges of bullying or retaliation shall be subject to disciplinary action and referral to law enforcement officials for investigation of possible criminal charges.

PMEA festivals primarily use hotels to house student participants. The following rules are to be followed, if applicable:

11. Failure to comply with any hotel regulation may result in a student's expulsion from the festival, and forfeiture of any future PMEA eligibility (including All-State).
