

PMEA Instrument Responsibility Form

For All Instruments Used in any Festival Event

The Pennsylvania Music Educators Association is very aware of the need for the utmost in care of musical instruments. Because of the format of the Festival, there will be movement of students and instruments between rehearsal areas. This does place the students' instruments at some risk of damage. It is the belief of PMEA that expensive instruments should always be placed in hard cases (or similar protective materials) when not in use. Although great care will continue to be taken to protect these valuable instruments, PMEA cannot afford the cost of repairing or replacing any instruments inadvertently harmed at any time during the Festival.

By signing this statement, you agree to hold harmless PMEA and its volunteers from responsibility for any damages occurring to instruments during the Festival. Failure to sign this form could be considered sufficient reason to preclude a student from participating in the Festival.
